

Year group—Reception

Term—Spring 2

Personal, Social and Emotional Development

We will be focusing on taking turns and working together to complete tasks.

During our Relax Kids sessions we listen and think about ways to manage our feelings.

Literacy

We will use our phonic knowledge to write and read short sentences. We will retell events in a story and make our own Easter cards.

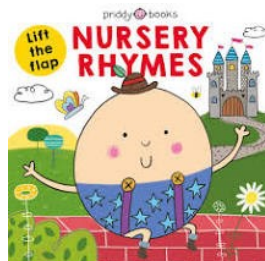

Nursery will continue to learn initial sounds and make their own marks forming some letters correctly.

Expressive Arts and Design

We will be using different media to create pictures. We will use a simple sewing stitch to make our own Gingerbread Men. We will use props and puppets to retell rhymes and stories.

Rhymes and stories

Nursery Rhymes and The Gingerbread Man

Rationale

This term we use rhymes and a traditional story to develop our communication and storytelling. This leads onto Easter, sharing the Easter story and how we celebrate.

Physical Development

We will be continuing to develop our gross motor and fine motor skills this term.

We will look at the way we use one handed tools, including the use of cutlery.

Communication and Language

We will be retelling stories and events and answering questions to clarify our understanding using well formed sentences.

Understanding the World

We will be finding out about the past in the rhymes we are learning, discussing how things are different.

We will be planting our own seeds and looking at how materials change by making Gingerbread men.

Maths

This term we are continuing to develop our ability to recognise a number of objects without counting them, known as subitising. We will also be finding different ways to make a number. We will also be looking at 3D shapes and making patterns. Nursery are focusing on comparing quantities.
