Inspectors found the school, on Springfield Road, is a caring and nurturing place to learn and pupils enjoy going to the school.

## Become a Trustee

Our Members are currently looking to recruit to our Board of Trustees. We are particularly interested in people with skills and experience in Financial Management/Accountancy, Law, HR and Health and Safety/Premises at a strategic level.

Trustees need to be professionally curious and able to support and challenge in equal measure. We are looking for individuals who can be diplomatic and tactful, who can follow a line of questioning at Board level and who can analyse data and statistics effectively. You do not need to have any experience of education, although it may be advantageous. If you have experience of working with a Board that would be very useful.

## Ground Breaks on Bramshall Meadows First School

Construction works have started on our new first school on the Bramshall Meadows estate in Uttoxeter.

Midlands-based contractor G F Tomlinson is leading on the construction of the school, which will offer 150 school places for pupils aged four to nine years old, as well as nursery places.

A ground-breaking ceremony took place on site on 24th September to celebrate the start of works.
