

Action Plan for Physical Education & Sports Funding Impact

Subject leader: David Burnett

Report Paula Snee Headteacher

Objective: to ensure all pupils leaving our school are physically literate, with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

Primary PE and sports premium key indicators of improvement:

Key Indicator 1: the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all pupils and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school

Key Indicator 2: the profile of PE and sport is raised across the school as a tool for whole-school improvement

Key Indicator 3: increased confidence, knowledge and skills of all staff in teaching PE and sport

Key Indicator 4: broader experience of a range of sports and activities offered to all pupils

Key Indicator 5: increased participation in competitive sport

Purchase PE teaching and learning materials and equipment to ensure there is enough equipment for all pupils to use within lessons which will continue to increase and improve both fitness levels and skill development.

Sport's Premium Money Allocated for 2020-21 - £16580.00
