Thank you.

Absence from school and reporting absences.

We continually analyse our school absence rate, which over the past 2 years has inevitably been impacted by Covid. From September, any Covid-related absence is treated as any other illness and recorded and reported as such.

It is really important that children attend school every day—each day a child is absent is a day of learning missed. Our EWO (Education Welfare Officer) monitors individual absences and is available to offer support should any family need it.

If your child is absent from school, it is a parental responsibility to notify the school - please do this by 9.00am either by telephone or email:

office@hutchinson.staffs.sch.uk

Please notify us **each day** your child is absent.

Thank you for your co-operation.

**I wish all our families a lovely half term break.
School reopens on Monday 31st October.**
