## Welcoming Mrs Beech!

We are very happy to welcome Mrs Beech to the Hutchinson Memorial team, who will be providing her valuable support in our Owls Class. Mrs Beech comes to us with a wealth of experience, after being a teaching assistant for many years in the local area.

Mrs Beech is expected to be with us up until the Easter holidays, bringing her enthusiasm and expertise to support both students and staff alike. We look forward to witnessing the positive impact that she will have on the children's development and growth. We are confident that her presence will be a valuable addition to the Owls classroom.

Mrs Horleston will continue to pop in and out of the Owls classroom as a familiar face for the children, but going forward she will now be free to lend her support to both Mrs Manlove and Mr Burnett.

Please extend a warm welcome to Mrs Beech as she joins our school community!

## NSPCC Number Day - Friday 2nd February 2024

We are delighted to be supporting the NSPCC by taking part in their annual Number Day, which will be happening this year on **Friday 2nd February 2024**.

To show our support, we will be '*Dressing up for Digits*' where pupils are invited to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!).

To help raise money for the NSPCC, we are asking for a **suggested donation of £1**, and we'd love everyone in the school to take part in this special event. Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it!

We're looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at Hutchinson Memorial CE First School will make an enormous difference to children today and help change the lives of children tomorrow.

## Carpark Safety

We would like to remind parents and carers to exercise caution on the community centre car park during drop-off and pickup times.

Please be courteous to others, stay vigilant when maneuvering and contribute to creating a secure environment for everyone.

Thank you for your understanding and cooperation.
